

# NURSERY MINISTRY

## • Sunday Morning

Nursery care is available for babies and toddlers every Sunday morning during the adult worship services. The toddlers enjoy a Bible story, a snack and play time. Each child receives a fresh diaper change and excellent care.

## • Wednesday Evening

Nursery care is available on Wednesday evening during the adult Bible study for babies and children two years of age and younger. These children receive lots of tender loving care, a fresh diaper change and play time.

## • Safety Policy

The safety of babies and toddlers is of high priority in the nursery department. Each time your baby visits our nursery, you will receive a numbered identification tag to keep with you during the service. This tag must be presented when you come to pick up your baby. If a nursery worker has a need to contact you, your baby's number will appear on our lighted call box, located in the sanctuary on the north wall.

## SUNDAY MORNING MINISTRIES

### For Children in 1st thru 6th Grade

Children in 1st-3rd grade meet in Kids inC. Headquarters (H.Q.) the first 40 min. and afterwards meet for Sunday School, while kids in 4th-6th grade meet for Sunday School and afterwards meet in H.Q. for a children's worship service designed just for them. The kids have fun together with their grade level, and enjoy a service which is designed to challenge them in their personal relationship with Jesus Christ. Each Sunday the children enjoy a message taught from God's Word and are given the opportunity to worship and pray. Sunday School is an instructional Bible study for children, taught by a dedicated and loving volunteer staff of Sunday School teachers. The curriculum used is designed to teach Bible fundamentals at the children's level of learning. For the safety and security of your children, our facilities are supervised by our security team.
